

Graduate Certificate in Chronic Disease Management

Seneca Polytechnic College, Toronto, Ontario, Canada

INSCOL®

About The Program

This eight-month graduate certificate program provides nurses with specialized training related to the prevention and management of chronic diseases, which impair everyday physical and mental functions and reduce the ability to perform daily activities. As a graduate of this program, you will be well-equipped to manage patients with chronic health conditions. You will acquire the skills to manage conditions, create individualized care plans, educate patients on self-care and assess their condition.

Course Structure
