Graduate Certificate in Coronary Care Nursing
Seneca Polytechnic College, Toronto, Ontario, Canada

INSCOL®

About The Program

This eight-month graduate certificate program provides internationally educated nurses with specialized training related to the prevention and management of cardiovascular illness/disease. These diseases impair everyday physical and mental functions and reduce the ability to perform daily activities. As a graduate of this program, you will be well-equipped to manage patients with cardiovascular conditions. You will acquire the skills to manage a patient's cardiac condition, create an individualized care plan, educate patients on self-care, and assess their condition.

Course Structure

Study at INSCOL

INSCOL Foundation Program

The objective of this 3-4 week foundation program is to enhance academic study, IT & soft skills of the students. The academic study module emphasizes on writing, reflective & assignment making skills.
