

MSc Nursing Practice

University of Sunderland in London, United Kingdom

INSCOL®

About The Program

This master's degree is designed to assist nursing students in advancing their careers as registered nurses in the UK. The course is tailored explicitly for overseas nurses preparing for their NMC OSCE exams, with specialised modules in the second term to support their assessment success. In addition, the university offers IELTS preparation short course specially designed for nursing students, so they can achieve an IELTS score of 7.0 as required by the NMC.
